Very enjoyable - lots of great, immediately useable ideas.

Very informative & rich.

Super - one of the best sessions I attended.

Frosting on the cake of a great conference! A repeat performance is warranted. Bravo/ Encore!

Very invigorating - inspiring. So many practical things/ideas! Thank you.

Great tools & practical examples.

Best presentation I attended during the conference.

Very good! Great information.

Should have given us criteria list & not tell us to leave a business card & still send them. Way to much interruption with sharing with neighbor.

Send employee of choice criteria.

Too many "one minute" sharing.

One of the best sessions I attended.

Excellent presenter/facilitator. Content also good.

She was very engaging!

Practical. Provided opportunity to address system that can take back home and implement. It is very practical and low cost.

Great!

Right on target! Immediately applicable. Interesting & engaging speaker with great examples to illustrate points.

Thank you, Things I can use right away.

Move to Mon or Tues. Wed too late. This topic too important.

Excellent examples provided.

Great stuff, would be excellent key speaker.

Thanks for making the time fly. Fun. Good ideas.

Concise, direct to point.

The most practical presentation as of now.

One of top two presentations that I saw this conference with plenty of practical info and steps.

Good/useful ideas, information. However, moved off of slides too quickly.

Invaluable! Thanks!

By far the best session of the entire conference, Tons of actionable ideas. She should be much more prominent next time.

Very good presentation of an important topic. She gave me something to implement and strive for immediately.

Very impressive. Sandy should be asked back next year and should be in a better time slot than last day last class. Excellent program - the best I attended!

Stop wandering and stay in front of the entire audience.

I was skeptical coming in to this session, but ended up taking the most copies notes from this conference, at this presentation. Time very well spent.

Thank you for the specific examples.
